SMILE THROUGH SPORT

SUMMER PROGRAMME 2017

We provide disability sport opportunities across the North East. Our sport sessions are adapted and open for all to take part in. Take a look at our activities taking place this summer.

OUR SPONSOR - IRWIN MITCHELL

"Through the work we do with people who have suffered life changing injuries, as well as their families and those who support them, we recognise the rehabilitative and social benefits that physical activity and playing sport can have. Our work through 'Don't Quit, Do It' is all about highlighting the many things that make disability sport so special and we've worked with disability sports clubs, and inclusive events in a bid to make sport for all accessible and are excited to be celebrating this with Smile Through Sport."
